

Mendoza, Argentina

JED MALBEC

Variety Malbec

Region Uco Valley, Mendoza

Alcohol 13.5% vol

pH 3.6

Total Acidity 5.3 g/L

Appearance Bright ruby red with a hint of violet.

Nose Rose water and violet characters are underpinned by red berry aromas of sweet cherry and chocolate.

Palate Bright cherry and chocolate flavours carry onto the palate and combine with well integrated oak. The mouth feel is fine and delicate, supported by fine ripe tannins. Medium bodied in style with an elegant finish.

Notes Mendoza is famous for producing the world finest Malbec. While wine has been made in Mendoza for over 400 years, only recently, have the higher and cooler vineyard sights in the Uco Valley been identified as some of the best. The cooler climate fosters the development of the bright cherry flavours in this wine and provides a fine tannin structure.
