

*Mendoza, Argentina*

## JED BLANC DE BLANCS SPARKLING NV

Variety	Chardonnay & Chenin Blanc
Region	Uco Valley and Maipu, Mendoza
Alcohol	12% vol
pH	3.2
Total Acidity	6.2 g/L
Appearance	Crystal clear with a fine, persistent bead and fresh green and gold hue.
Nose	Delicate aromas of green apple, citrus and intriguing mineral notes.
Palate	The palate is bright and lively, with fresh red apple flavours. The structure of this wine revolves around crisp natural acidity and displays outstanding balance. The slightest hint of complexity adds a touch of intrigue to the finish.
Notes	Jed Blanc de Blanc is blended using exclusively white grape varieties in order to deliver freshness and leanness in style. The fruit for this wine, grows in the Uco Valley, one of the highest and coolest subregions of the Mendoza wine region. The predominance of cool climate fruit preserves the delicate natural flavours and ensures elegance of structure and natural balance.
